Summer Semester

Third Year - Junior

Fall Semester

Technical Report Writing

Cultural Anthropology

General Elective

Cultural Studies Course

General Elective

General Elective

Notes

+Denotes core requirement. Speak with Department chair or Academic Advisor for proper course selection.

LU Core Preferences

(1) LU prefers MATH 1314 College Algebra for Math Core

(2) LU prefers SOCI 1301 Intro to Sociology for Social & Behavioral Sciences Core

(\*) LU prefers MATH 1342 or PSYC 2317 for second Math

^Students should consult an LU University Studies department advisor for list of approved Race & Ethnicity, Gender, and Cultural Studies courses.

LU Technical Credit Policy

The University Studies program allows students to use technical credit to satisfy degree requirements under the following conditions:

- Technical credit may not be substituted for upper division courses.
- Technical credit must be from a regionally accredited institution.
- Technical credit must be applied en bloc to the relevant degree program.
- Students must have satisfactorily completed technical courses with at least a grade of C or demonstrated satisfactory performance.
- Students may not apply for credit for the same technical skills through the narrative course process; in addition, students may not use both technical credit and prior experiential credit to satisfy degree requirements.
- Students may not apply more than 36 hours of technical credit to a degree. However, the specific number of technical hours applicable to each University Studies track varies to account for required coursework. Students should discuss technical credit with an academic advisor in the Department of University Studies.
