In 2013, the 83rd Texas Legislature passed House Bill 5, which in relevant part amended the requirements for student eligibility for admission to any Texas public university under the Uniform Admissions Policy (Texas Education Code §§51.803-51.809). Students who complete the new foundation high school program are eligible for consideration for admission to a public university. However, a student must earn a distinguished level of achievement under the foundation high school program in order to qualify for the Top 10 Percent Automatic Admissions and the Top 10 Percent Scholarship Program. Texas private high school students may qualify for admission to a Texas public university having completed only a portion of the foundation high school program or distinguished level of achievement under the foundation curriculum equivalent in content or rigor because the remainder of courses were unavailable to the student or by meeting other qualifications. The changes to the Uniform Admissions Policy became effective when House Bill 5 was signed by the Governor on June 10, 2013, and will be implemented beginning with the 2014-2015 school year.
