GENERAL INFORMATION

Location

Lamar State College of Technology is a state supported college located in the heart of industrial Southeast Texas at Beaumont. The principal industries in the area are oil refining, shipping, ship building, rubber manufacturing and other related industries. Rice farming and ranching are the chief agricultural pursuits.

The campus is situated on a 75-acre tract facing the Beaumont-Port Arthur Highway in Southeastern Beaumont, Texas.

The city of Beaumont has a population of approximately 120,000 with adequate schools, shopping districts, churches and transportation to satisfy the needs of a thriving industrial community.

Accreditation

Lamar is accredited by the Association of Texas Colleges and the Southern Association of Colleges and Secondary Schools.

Testing and Placement Service

Placement assistance is provided at the Testing and Placement Office in Room 102, Liberal Arts Building. Mr. Joe Thrash is director of the center.

Summer School Commencement

A student who completes all the requirements for any degree at the end of either term will have the degree conferred during the summer commencement scheduled for Saturday, August 27.

Other Academic Regulations

The general regulations of the College also apply to the summer session. Students are urged to read details of these regulations in the current catalog.

Housing

The College requires all students to live in one of the College dormitories and to take their meals in the College dining hall.

The only exceptions to this regulation are:

- 1) Students who live with parents or relatives.
- 2) Married students who live with their wives or husbands.
- 3) Students whose health conditions demand special service.
- 4) Students whose part-time employment conflicts with College meal service hours.

Summer session students are housed in the ultra-modern dormitories. Rates for room and board may be found under the Fees and Expenses section of this Bulletin.

Reservations

To reserve a room in the dormitory, direct a request to the Dean of Student Life, Lamar State College of Technology, Beaumont, Texas. A check for \$20 must accompany the reservation request. Room reservations may be cancelled with full refund until three weeks prior to the first day of classes. No refund will be made on cancellations received after this date. Dormitory residents will be refunded deposits, less any breakage charges, at the end of the year. If a student moves from a dormitory at any time other than the end of the semester, the \$20 deposit will not be refunded.

THE SUMMER SESSION

The summer session is a part of the year-round program at Lamar. The faculty is composed of regular staff members with the library, all classrooms, and all laboratories available for full use. Course credits are the same as for the long session.

The summer session serves many groups:

1) Entering freshmen

Adjustment to the College study pace is easier during summer because there are less distractions and study time is spent on two subjects every day.

Students with deficiencies in any field but particularly in engineering and in science are urged to make up these deficiencies during the summer.

Other students may accelerate their graduation date by summer study.

2) Student

HOW TO ENTER LAMAR

If You Have Graduated from High School

1. Make application on regular form.
2. Have transcript mailed to: Dean of Admissions Lamar State College of Technology, Beaumont, Texas.
3. Have your doctor complete a health certificate and mail in your own stamped envelope addressed to: Dean of Admissions, at the above address.
4. Take admission placement test at a convenient and early date.
5. If you do not plan to live at home send your dormitory deposit (\$20.00) with request for space to Student Life Office, Lamar State College, Beaumont, Texas.

The above steps should be taken as soon as you decide you may want to attend Lamar. Application and health certificate forms may be obtained from the Admissions Office.

6. Report at time and place assigned by the Admissions office.
7. In the meantime read the current catalog.
